This Ordinance, unanimously adopted on First Reading on September 3, 2013, expands the boundaries of the Fort Collins Downtown Development Authority and amends the Plan of Development of the Authority to include a commercially zoned property in the 800 block of Buckingham Street. The property, which includes one parcel owned by Colorado Iron and Metal Inc. and one parcel owned by Odell Investments, LLC, is vacant land with no address.

College, LLC owners of the lower level of Old Post Office Building adjacent to the park. The owner of the lower unit of the building has requested a patio lease on a portion of the City property adjacent to the north side of their building in anticipation of leasing the unit as a restaurant. The lease area will be used by the unit owner and their tenant for dining and art display purposes only and will be limited to a 10-year term with an option to renew for up to two (2) additional 5-year terms. In addition, the owner has requested an access easement across the park leading from their north entrances out to College Avenue. 11. First Reading of Ordinance No. 126, 2013, Authorizing the Purchasing Agent to Enter into an Agreement for the Financing by Lease-Purchase of Vehicles and Equipment.

The purpose of this item is to request approval of an agreement for the lease-purchase of vehicles and equipment for the cost of $911,887. Payments under the agreement at the 2.28% interest rate will not exceed $193,489 in 2014. Money for 2014 lease-purchase payments is included in the 2014 budget. The effect of the debt position for the purpose of financial rating of the City will be to raise the total City debt by 0.67%. A competitive process was used to select Pinnacle Public Finance for this lease. A 2013 Finance Department analysis of current and historical equipment lease financing
arrangements showed that lease-purchase is in the best interest of the City given the normal spread between lease rate and reinvestment rate. Staff believes acceptance of this lease rate is in the City's best interest.

18. **Resolution 2013-079 Concerning a Loan from the City of Fort Collins to the Fort Collins Urban Renewal Authority for the Purpose of Funding Certain Improvements for the Prospect Station Project and Declaring the City Council’s Present Intent to Fund Such Loan.** (staff: Tom Leeson; Megan Bolin; 5 minute staff presentation; 30 minute discussion)

The purpose of this Resolution is to declare City Council’s intent to provide a loan to the Fort Collins Urban Renewal Authority (URA) for one half of the URA’s reimbursement obligation to Prospect Station LLC.

On September 17, 2013, the Fort Collins Urban Renewal Authority (URA) Board will consider a Redevelopment Agreement for Prospect Station, a new mixed-use development proposed within the Prospect South Tax Increment Financing (TIF) District. The Agreement would authorize a $494,000 reimbursement obligation to Prospect Station LLC (Developer) for eligible project costs. Half ($247,000) of the reimbursement would be provided to the Developer upon completion of the project and verification of costs, and the remaining half would be dispersed in annual payments over the remaining life of the TIF District.

The Redevelopment Agreement would obligate the URA to make a $247,000 payment to the Developer upon completion of the project in 2014. Since the URA will not have sufficient fund balance to pay that amount outright, a loan is requested from the City of Fort Collins.

19. **Items Relating to Exterior Property Maintenance.** (staff: Mike Gebo, Beth Sowder; 15 minute staff presentation; 1 hour discussion)

A. First Reading of Ordinance No. 128, 2013, Amending Article IV of Chapter 20 of the City Code Pertaining to the Outdoor Storage of Personal Property.

B. First Reading of Ordinance No. 129, 2013, Amending Section 5-47 of the City Code Pertaining to the International Property Maintenance Code.

The purpose of this item is to propose Code amendments that will address ongoing exterior residential property maintenance issues that create a negative impact on neighboring properties and that are not currently addressed by existing codes. This item focuses on three items that have a significant impact to the neighborhood and the general public because they are viewable from the public right-of-way. Neighbors have expressed that these conditions have a negative impact on their property values, enjoyment of their properties, and a general feeling of neglect and deterioration. The three proposed Code amendments include:

- Deficient Structures
- Vacant & Dangerous Buildings Registry
- Excessive Storage of Personal Property Viewable from the Public Right-of-Way

The above items are Phase 1 of this topic. Phase 2 will include excessive personal property and inoperable motor vehicle storage in back yards. Phase 2 is scheduled for City Council consideration on November 5, 2013.

20. **Consideration of Citizen-Pulled Consent Items.**

21. **Other Business.**

22. **Adjournment.**

Every Council meeting will end no later than 10:30 p.m., except that: (1) any item of business commenced before 10:30 p.m. may be concluded before the meeting is adjourned and (2) the City Council may, by majority vote, extend a meeting until no later than 12:00 a.m. for the purpose of considering additional items of business. Any matter which has been commenced and is still pending at the conclusion of the Council meeting, and all matters scheduled for consideration at the meeting which have not yet been considered by Council, will be continued to the next regular Council meeting and will be placed first on the discussion agenda for such meeting.
